24 October 2017

FAO Amanda Barnley, Town Clerk

Dear Amanda

Re: Information Requests CRM Ref. iw17/9/35947

Thank you for your request for information dated 4 October 2017 in respect of the following enquiry. As requested, this matter has been considered under the Freedom of Information Act 2000.

1. Why was steel specified as the material for floating bridge no. 6? When was this decided? Who decided it?

The Freedom of Information Act provides access to recorded information. It does not require organisations to answer questions. I can advise however, that any information relating to materials would be contained in the specification for the contract, which is available on iwight.com.

Please contact me again if you require any further assistance on this matter and I will do my best to provide relevant help and advice.

If you have any complaints in respect of your information request, please write to the Corporate Information Unit, County Hall, Newport, Isle of Wight, PO30 1EW, by email to information@iow.gov.uk, or complete the on-line appeals form that can be found at www.iwight.com. If your complaint is not resolved to your satisfaction, you have the ultimate right, once you have exhausted the internal appeals process, to appeal to the Information Commissioner.

Yours sincerely

Elaine Davison
Administrator
